INFO

A mention occurs if the specified substances or products made from them are contained as an ingredient in the end product.

The 14 main allergens are labeled in accordance with legal regulations (EU Food Information Regulation 1169/2011).

There are also other substances that can trigger food allergies or intolerances.

Despite careful preparation of our dishes, in addition to the labeled ingredients, they may contain traces of other substances

used in the production process in the kitchen.

When the guest asks whether a dish is "free from" certain allergens,

we answer with "No, we cannot guarantee that" because we

cannot give such an assurance or guarantee!!!

We are not nutritionists!!!

The guest cannot make any liability claims against us!

Every person is responsible for themselves and for what they consume!!!!
